Professional Licenses

1. Doctor of Chiropractic, State of California, 1987-present. License No. DC 18592, Status: Active
2. Doctor of Chiropractic, State of Iowa, 1994-present, License No. A05822, Status: Inactive
3. Radiography X-ray Supervisor and Operator, State of California, Department of Public Health Radiologic Health Branch, License No. RHC129029, Status: Active

Continuing Education Certification

Continuing Education Provider, State of California, Board of Chiropractic Examiners, Sacramento CA

Graduate Education

Doctor of Chiropractic (D.C.) Los Angeles College of Chiropractic, December, 1986
Coursework, Life Chiropractic College West, San Lorenzo, CA , 1983-1984

Undergraduate Education

Bachelor of Science (B.S.) (Human Biology) Los Angeles College of Chiropractic, August, 1986
Coursework from California State University Hayward , Hayward, CA in 1982 and Chabot Community College in 1983

High School

Diploma, Hayward High School, Hayward, CA

Current Positions

1. 2010-Present. Private Practice of Chiropractic, San Francisco, CA

2. 2002-Present. Honorary Associate. Department of Health and Chiropractic, Macquarie University, Sydney, Australia

Past Positions

1. Private Practice (full time) 1987-1991. San Leandro, CA and Ferrara, Italy; Alameda, CA 2007-09
2. Private Practice (part time) 1991-2006. Hayward and Cupertino, CA and Montpelier, IA
3. Research Consultant to Chiropractic Industry, 2006-2008 Alameda, CA
4. 2000-2006. Director of Research, Life Chiropractic College West, Hayward, CA
5. 2000-2006. Associate Professor: Geriatrics, Public Health and Research Methods, Life Chiropractic College West, Hayward, CA
6. 1989-2005. Director of Research, Gonstead Clinical Studies Society [501c-3 non profit], Santa Cruz, CA
7. 1998-2001. Faculty, I.C.P.A. Pediatric Certificate and Diplomat Programs, Media, PA
8. 1999-2000. College of Chiropractors Paediatric Faculty, United Kingdom
9. 1999-2000. Associate Professor, Palmer College of Chiropractic West, San Jose, CA.
10. 1998-1999. Associate Professor, Life Chiropractic College West, San Lorenzo, CA
11. 1995-1998. Associate Professor, Palmer College of Chiropractic West, San Jose, CA.
12. 1993-1997. Research Advisor, ACA Council on Technique
13. 1994-1996. Member, Advisory Committee for the Consortium for Chiropractic Research
14. 1994-1995. Visiting Research Fellow, Institute of Graduate Studies and Research, Palmer College of Chiropractic, Davenport, IA.
15. 1991-1995. Assistant Professor, Palmer College of Chiropractic West, San Jose, CA.
16. 1987-1991. Instructor (Part-Time), Life Chiropractic College West, San Lorenzo, CA.

Post Graduate Teaching Experience (Partial List)

1. Chiropractic Practice Seminar 12 hrs CE credit. (5 Gonstead technique; 5 x-ray, 2 ethics), December 2016, February, April, June 2017. California State Board Approved, Castro Valley, CA
2. Gonstead Technique Seminar, 12 hours, East Devon, United Kingdom, June 2016
3. Oct. 11-12, 2008, 2 hours, Research and Guidelines, Meeting of the Minds IV, Life Chiropractic College West, Hayward, CA
4. April 26-27, 2008, 10 hours, Evidence-Based Chiropractic, Grant Adams County Chiropractic Society. Moses Lake, WA
5. April 22-23, 2006. 13 Hours. Chiropractic Family Practice. Grant Adams County Chiropractic Society. Moses Lake, WA
6. May 1, 2002. San Jose, California. Chiropractic case management of patients with spinal fractures and dislocations. Gonstead Club, Palmer College of Chiropractic West
7. February 23, 2002. Bellevue, Washington. Pediatric Chiropractic. Washington State Chiropractic Association.
8. February 2-3, 2002. Bournemouth, United Kingdom. Gonstead Technique Series Module #2 (Gonstead literature review and chiropractic spinography). Anglo-European College of Chiropractic and the Gonstead Clinical Studies Society
9. January 12-13, 2002. Edmonton, Alberta, Canada Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
2001
10. October 13-14, 2001. Toronto, Ontario, Canada. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
11. July 27-29, 2001. Kansas City, Missouri. Research Agenda Conference VI. Discussant and panel member on subluxation and the state of chiropractic science.
12. July 14-15, 2001. Dallas, Texas. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program

13. June 23-24, 2001. Detroit, Michigan. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
14. April 21-22. Kansas City, Missouri. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
15. February 24, 2001. Birmingham, United Kingdom. Pediatric Chiropractic. College of Chiropractors Paediatric Faculty presentation.
16. February 22, 2001. Bournemouth, United Kingdom. Gonstead technique and chiropractic pediatrics. Anglo-European College of Chiropractic.
17. February 17-18, 2001. Solihull, United Kingdom. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
2000
18. November 4-5, 2000. Los Angeles, California. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
19. September 16-17, 2000. Montreal, Quebec, Canada. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
20. August 26-27, 2000. Dallas, Texas. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
21. July 8-9, 2000. Philadelphia, Pennsylvania. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
22. March 25-26. Seattle, WA. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
23. February 4-6, 2000. Bloomington, MN. Homecoming: Chiropractic instrumentation and x-ray.
1999
24. March 13-14, 1999. Toronto, Ontario, Canada. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
25. August 14-15, 1999. Kansas City, MO. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
26. November 20-21. Marietta, GA. Module #7 (Examination procedures, Scoliosis and Current Research), International Chiropractic Pediatric Association 120 hr. Certificate program
27. Specific Chiropractic. Palmer Chiropractic University. Presentations in the United States and Canada, 1995-1998
28. Subluxation Correction and Management Seminars, LCCW 1989-90

Research

Publications in Peer-reviewed Journals

Research Grants

1. \$7,430. Foundation for Chiropractic Education and Research, 2001, Plaughter G, Menke M. Re-analysis of scoliosis data.
2. \$20,000. The California Endowment: Plaughter G, Kostanian V, Pistolese R, et. al. A randomized controlled comparison clinical trial of chiropractic adjustments in children with subluxations and asthma: a pilot study.
3. \$84,310.00, Foundation for Chiropractic Education and Research (1994): Plaughter G, Long CR, Menke JM, Meeker WC. Randomized controlled-comparison clinical trial of chiropractic adjustments and brief massage treatment in patients with essential hypertension: a pilot study.

4. \$10,000.00, 1st Prize in Clinical Sciences, Chiropractic Centennial Foundation (1995): Plaucher G, Long CR, Menke JM, Meeker WC. Randomized controlled-comparison clinical trial of chiropractic adjustments and brief massage treatment in patients with essential hypertension: a pilot study.
5. \$1,100.00, Eastman Kodak Company (1988), Plaucher G. Reliability of patient positioning for pelvic radiographs.

Awards

1. Menke JM, Plaughter G, Carrari CA, Coleman RR, Vannetiello L, Bachman TR. Bayesian analysis of chiropractic management of scoliosis. 50th Annual Meeting of the Arizona-Nevada Academy of Science, Tucson, Arizona. Proceedings of the Arizona-Nevada Academy of Science, Vol. 41. Prize for best psychology presentation.
2. Certificate of Vision, World Congress of Chiropractic Students
3. Presidential Award presented by Dr. Peter Martin, President, Palmer College Of Chiropractic West on May 7, 1993 in recognition for extraordinary commitment and exceptional performance.
4. Distinguished Service Award presented by the Council on Technic of the American Chiropractic Association on October 17, 1992 for significant contribution toward research and education in chiropractic technic, during this council's "Conference on Fundamentals."
5. Certificate of Appreciation presented by Dr. William Meeker, President, Consortium for Chiropractic Research in 1992 for outstanding contributions to the chiropractic profession through the support of chiropractic research.

Teaching
