

# Upper and Lower Extremity Conditions Certification Workshops

Don't miss this opportunity to acquire skill in specific extremity condition cases under the instruction of renowned extremity specialist *Dr. Mark K. Werking*, for The International Board of Extremity Chiropractors. Dr. Werking has been practicing in the field for over 40 years and presenting for over 30 years. He is a Gonstead Diplomat and has taught at the Gonstead Seminars. Let him share his clinical knowledge for evaluation and adjustment of the extremities. This workshop presents many **clinical pearls** to expertly manage the difficult extremity conditions from acute, chronic, to correction. Certification not only prepares you to better assess and manage subluxations of the extremities, but also acknowledges the doctor as an expert in the field allowing for greater recognition, referrals and compensation.

- The Certification Course is put into two sessions covering the recognition, adjustment & management of extremity problems.
- In depth power point presentation of x-ray analysis and protocols complimented with extensive practical hands-on instruction.
- Bring your difficult cases with you (x-rays) for evaluation and discussion.

## Some topics to be covered:

- Sports specific conditions & preparation
- Primary and secondary assessments
- Signs and symptoms of conditions
- Taping & bracing
- Rehabilitation
- Reconstructive Protocol Adjustments
- Ice & Heat protocols
- Nutritional Support: supplements, Essential Oils
- X-ray analysis protocols
- AND MORE!
