  - 4.. Nutritional advice
- 1977- Present **LOGAN COLLEGE OF CHIROPRACTIC** Chesterfield, Missouri
- 1 Faculty member of Logan College: April, 1 977-present
  2. Held rank of Instructor: 1977 June, 1980
  - 3.. Promoted to rank of Assistant Professor: June, 1980
  4. Promoted to rank of Associate Professor: August 1983
  5. Promoted to rank of Professor: September 1989
  6. Granted tenure: September 1986

7. From August 1979 to December 1983, (elected to a second and third term in August. 1981 and 1982). I served as President of the Faculty Council and thereby represented the faculty at various functions and responsible for scheduling faculty meetings.
8. From December 1980 to December 2002 served as Chairman of the Clinical Science Division. The Division consisted of sixteen faculty members who taught the 26 diagnostic courses (clinical, physical, laboratory and radiological).
9. I am presently, and since April, 1977, a member of the Chiropractic Science Division.
10. From April 1989 to December 1989, I served as Interim Chairman of the Chiropractic Science Division.
11. From March 1981 to January 1983, I served as Chairman of the Attendance Committee and was the individual who formulated the current attendance policy, the classroom seating and the method currently in use of daily compilation of faculty and student attendance by of numbered computer sheets.
12. From January 1978 to August. 1983. I served as Chairman of the Admissions Committee.
13. From December 1980 to December 2002 I was a member of the Administrative Council, which consisted of all Divisional Chairs and Officers of the corporation. During this time I was also a member of the Curriculum, Rank and Evaluation, and the Self-Evaluation Committees.
14. From 1977-August, 1983, I was a member of the Professional Committee.
15. Presently, and since 1976, I am a member of the Logan College Alumni Association.
16. From August 1980 to June 1983, I served as the Faculty representative to the Logan Alumni Association. I was elected to a second and third term to August 1981 and 1982.
17. In June 1983 I was elected to a position as Board Member on the Alumni Board of Directors. This was the first time that a faculty member had received this opportunity. This was a full three year term which terminated in June 1986.
18. From its inception in October 1980 until October 1984, I served as coordinator of the Gonstead Teaching Chair, the first of its kind in any Chiropractic College. I was instrumental in laying the foundation and consequently coordinating and correlating the preliminaries that culminated in the establishment of the Chair and thereby bringing to Logan College not only professional honor and prestige but instructional equipment and salaries.
19. I was instrumental in obtaining the Gonstead Scholarship for Logan College. The scholarship has been offered and a recipient selected on six occasions since 1982 and involves one full year tuition, all costs for books and a living expense.
20. From June 1977 to July 1978, I served as Chief of Staff of Logan's Chesterfield Clinic.
21. From March 1980 to March 1984, I served as Clinic Director of Hosea House (Logan's south St. Louis Clinic) on Wednesday afternoons.
22. From March, 1984 to September 1986 I served as one of the Student Clinic Directors on

Wednesday afternoons.

23. From September 1986 to September 1990, I served as the Clinic Director at the Logan Chesterfield Clinic on Wednesday afternoons.
24. From September 1986 to December 2002, I participated as an Item Reviewer for the National Board of Chiropractic Examiners.
25. In October 1985 I was elected selected by the National Board of Chiropractic Examiners to serve on the Associated Clinical Sciences Test Committee. I was invited and returned annually for the next five years.
26. In an attempt to fill an obvious need of Senior students at Logan College in relations to the business aspect of being a chiropractor, I formulated an all volunteer panel consisting of an accountant, a banker, an attorney, and a certified licensed underwriter. This became known as "Senior Day" and was given annually or four years from 1978 to July 1982. In September 1982, "Senior Day" blossomed into a full course and is currently being offered in the senior trimester.
27. From 1979 to 1982 I was a member of the Logan Graduate School Faculty and conducted several seminars in the Gonstead System of manipulation.
28. From 1980 to 1987 I maintained Diplomate status in the Gonstead Technique undergoing annual practical and written examinations. I was one of the first 16 chiropractors to be granted this status in 1980. I have reapplied and been reexamined annually since then.
29. In July, 1987 I underwent intensive practical, written, and oral examinations and was granted the highest award in the Gonstead Technique, that of Ambassador Status -only the fifth, at that time, to have received it. I am presently maintaining this status.
30. I have attended Advanced Gonstead Technique Workshop Seminars twice a year since 1976.
31. In May 1983, I received a Master's Degree in Clinical Nutrition from the University of Bridgeport.
32. I have attended seminars and been granted certification status in motion palpation by the Motion Palpation Institute.
33. From 1979 to 1983, I was the Student I.C.A. Faculty Advisor.
34. I made application and obtained licensure in the State of Illinois in July, 1981 and the State of Colorado in April, 1982. Currently, I maintain licensure in seven states. These are: Missouri, Kentucky, Oklahoma, Michigan, Indiana, Illinois, and Colorado.
35. I maintain current Diplomate Status (#5811) with the National Board of Chiropractic Examiners since 1975.
36. I have, on occasion, presented lectures to both the Chiropractic Association of Greater St. Louis, and various *Dental* Study Groups in the Greater St Louis area.
37. I represented Logan College at the Federation of Chiropractic Examining Boards in Atlanta in February 1982.. I also represented Logan College in a lecture to senior students at Life College

- 3\$. Presently, and since 1981, I have participated as an examining physician in the Outpatient Clinic Entrance Exams (Comprehensive Boards).
39. From 1978 to January 1983, I taught the following courses: Static Palpation (45 hours), Motion Palpation (30 hours), Extremity Manipulation (45 hours), Introduction to Gonstead (25 hours) and Advanced Gonstead Technique I and II (150 hours). This totaled 295 hours per trimester. Presently, and since 1983, I teach introduction to the Gonstead Technique (30 hours); and courses in "Advanced Gonstead Technique" to the second and third trimester seniors (75 hours each). I was responsible for suggesting, formulating, promoting and initially teaching all these courses.
40. Presently, I am a member of:
- (a) American Chiropractic Association (A.C.A)
  - (b) International Chiropractic Association (I.C.A.)
  - (c) Logan College of Chiropractic Alumni Association
  - (d) Gonstead Clinical Studies Society Ambassador Status
  - (e) Missouri State Chiropractic Association (MSCA)
  - (f) St. Louis Chiropractic Association
  - (g) ACA Council on Nutrition
  - (h) American Clinical Board of Nutrition — Diplomate Status
41. I was recognized on August 6, 1982, by the Student Doctor's Council for outstanding service to Logan College students.
42. I was recognized on February 20, 1988 by the Logan College Board of Directors with a Special Recognition Award.
43. I participated as a researcher and a patient in the Anabolic AB12-Plus~ research which was published in the Journal of Manipulative and Physical Therapeutics in September, 1982 (vol. 5) entitled "*Enhanced Absorption of Oral Vitamins 8-12 from a Resin Adsorbate Administered to Normal Subjects*". Based on this research Anabolic Labs is currently advertising/marketing the product.
44. From September 1985 to September 1987 I served as Treasurer to the Faculty Council.
45. On two occasions (February 1985 to November 1985) I have appeared on the cover of the A.C.A. Journal.
46. My annual evaluations (student, faculty, administrative) have always been excellent.
47. I have actively participated in a number of Logan College graduation ceremonies.
48. I gave the B.S. graduation ceremony address on March 14, 1986.
49. I was chosen by the Student Doctor's Council as *Faculty of the Month*, February
50. In June 1988 I was named an Associate *Clinical Faculty Member* and began participation in the Clinic Preceptorship Program. This program allows senior students of Logan College to spend their last four months, before graduation, working and observing in a chiropractor's office. To date, I have had eighteen individuals in this capacity:

- |                             |                                |
|-----------------------------|--------------------------------|
| 1. Kirk Carver 7/88         | 9. Michael Vanhoreribeeck 8.91 |
| 2. Mike Nice 12/88          | 10. Debbie Hopp 3/92           |
| 3. Ronald Teddleton 8/89    | 11. Mary Moses 11/93           |
| 4. Steve Mustin 4/90        | 12. Brian Stakman 11/95        |
| 5. Anita Mihlon 4/90        | 13. Ken Inchiostro 11/97       |
| 6. Patricia Osborne 8/90    | 14. Jennifer Koontz 12/98      |
| 7. Cynthia Riley 8/90       | 15. Kelli Confer 12/99         |
| 8. Katherine Branchaud 4/91 | 16. Allan Heimlick 4/00        |
|                             | 17. Emmanuel Potsos 4/00       |
|                             | 18. Jason Klosterman 4/09      |

51. Since 1980 I have participated as an advisor to the Senior (Student) Research Program with a number of written papers, which for 2009 this consisted of:

- (1) Diagnosing Food Allergy — J. Jorgensen
- (2) A Pilot Study: Intelligence Quotient (IQ) Score Improvement in Asymptomatic Adult Population Utilizing the Gonstead Chiropractic Adjustment- Stephane Provencher, et al
- (3) A Comparative Study of Chiropractic Intervention Utilizing Gonstead and Logan Basic Technique on the Reduction of Sympathetic Tone Eric Buckley, Mickey Marshall, et al
- (4) Atlas Subluxation & Seizures ft W. Cranwell, M.S., D.C.; Stephane Provencher

52. In May 2003 was granted Diplomate status by the American Clinical Board of Nutrition (DACBN)

53. Since February 1997 I host my own live weekly one hour radio show entitled "Right to the Doctor", discussing chiropractic, nutrition, wellness, and diet with listeners invited to call in currently in the 13th year.

#### I 1979 - Present PRIVATE PRACTICE

I am the owner and director of the Cranwell Chiropractic Center. I maintain an afternoon/evening, Monday through Friday(1:30-9:00 p.m.) private practice in south St. Louis County., I maintain an office building in which two other chiropractors maintain their practices. Since 1986 I have employed numerous Logan Chiropractic College Senior students in my office to assist in the administration of therapy and the taking of x-rays.
